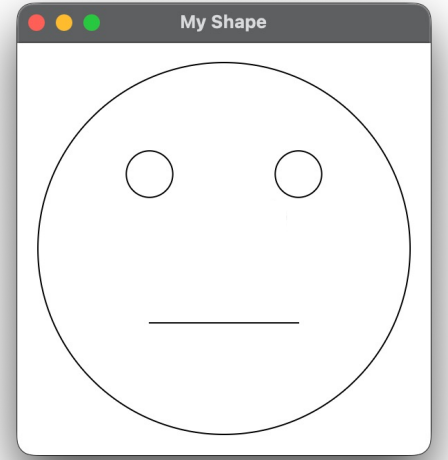
CPT111 Java Programming

Lab 12

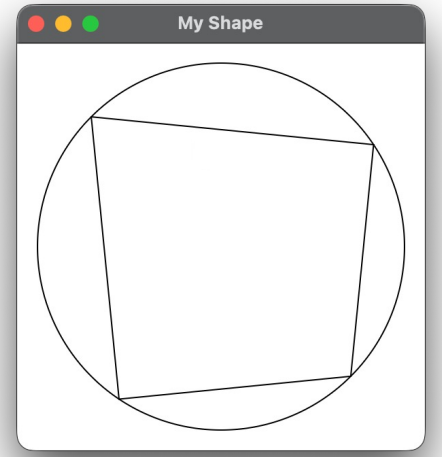
GUI with JavaFX

Exercise #12.1: Draw a face that can be resized



- Write a program that **displays a simple face** with JavaFX.
- The face should grow/shrink as the window is resized.

Lab 12 Challenge: Draw a polygon inside a circle



- Write a program that displays **Any Polygon inside a Circle** with JavaFX.
- The polygon inside a circle should grow/shrink as the window is resized.

Thank you for your hard work!

- If you finish early, feel free to use the remaining time to work on your CW3.
- You may leave the lab once you have completed the Lab 12 Challenge and it has been ASSESSED by a TA!
  - Please note that the **Lab 12 Challenge** is **graded** and contributes to your CW2 marks.
  - **Note:** There is **no autograder** for this week's lab. You will earn your CW2 grade after the TA confirms you completed the Challenge.
  - **Note:** There is **no CW1** for Week 12. Use the extra time to work on your CW3.
